

HRVATSKO GEOTEHNIČKO DRUŠTVO
CROATIAN GEOTECHNICAL SOCIETY
SOCIÉTÉ CROATE DE LA GÉOTECHNIQUE

University
of Rijeka
Faculty of
Civil Engineering

Dear colleagues,

we invite you to consider sponsoring the **29th European Young Geotechnical Engineers Conference (EYGEC 2025)** to be held in **Rijeka, Croatia, 9-12 September 2025**.

The conference for young geotechnical engineers was the idea of Professor Atkinson of City College, London, UK, in the 1980s. The 29th conference is being organized with the support of the International Society for Soil Mechanics and Geotechnical Engineering (ISSMGE) and the Croatian Geotechnical Society in order to establish contacts and promote long-term cooperation among young European geotechnical engineers. More than 50 participants from Europe are expected to participate in the conference with scientific and technical papers.

We offer sponsorship packages adjusted to your goals and budget:

- Platinum Sponsor
- Gold Sponsor (company logo in the program and on the back cover of the conference proceedings + exhibition space + sponsored lecture): 3.000 EUR
- Silver sponsor (company logo in the program and on the back cover of the conference proceedings + exhibition space): 2.000 EUR
- Bronze sponsor (company logo in the program and on the back cover of the conference proceedings): 1.000 EUR

By sponsoring this event, you will have the opportunity to present your company through selected sponsorship packages, but also to meet young, perspective geotechnical engineers from all over Europe. The support of your company would greatly enhance the success of our event.

We look forward to the opportunity to cooperate with you.

Kind regards,

Assoc. Prof. Leo Matešić

President of the Croatian
Geotechnical Society

Assoc. Prof. Martina Vivoda Prodan

Symposium Chair
